46 (a) Collation of Results and the Return of a winner to the office of the Chairman and Vice Chairman of an Area council of the FCT shall follow, with necessary modifications, the same procedure for the final collation of the governorship or presidential election.

Collation of FCT Area Council Elections

(b) Collation of Results and Return of winner to the office of the Councillor of a Council Ward of an Area Council of the FCT shall

follow, with necessary modifications, the same procedure for the final collation of the State Constituency seat of the House of Assembly of a state.

47 The following responses and procedures shall be used in managing the issues identified in this Clause during elections and collation of results, particularly in determining where supplementary elections may hold in line with the “Margin of Lead Principle” as in Schedule 1:

Managing the
Margin of Lead
Principle

- (a) Where the Commission is unable to deploy to Polling Units as a result of logistical challenges, a date for supplementary election shall be announced.
- (b) Where there is willful obstruction or resistance to deployment/distribution of election materials, enter zero votes for the affected polling units and proceed.
- (c) Where there is voter resistance to the use of the SCR, enter zero votes for the affected Polling Units and proceed.
- (d) Where the use of the SCR is discontinued midway into the elections due to sustained malfunction and no replacement is available before 2 pm, a date for supplementary election shall be announced.
- (e) Where the Commission determines that violent disruptions occurred at a substantial number of Polling Units before announcement of result, a fresh date for election in the affected Polling Units shall be announced by the Commission.
- (f) Where a violent disruption occurs after announcement of results and ballot papers and result sheets are destroyed, regenerate the affected results from duplicate copies, fill new replacement result sheets with the approval of the Resident Electoral Commissioner and proceed with collation of result.
- (g) Where result sheets are snatched or destroyed before they arrive at collation centres, regenerate the affected results from duplicate copies, fill new replacement result sheets with the approval of the Resident Electoral Commissioner and proceed with collation of result.
- (h) Where balloting materials are still available or remaining after disruption at any stage of the election, proceed with available materials and conclude that stage of the election. However, where

materials are inadequate, a new date will be announced by the Commission to conclude the stage.

- (i) Where there are issues with results of a Voting Point (VP) such as over voting, treat the votes from the affected VP as rejected votes and proceed with the valid votes from other VPs of the Polling Unit.

48. The following shall be allowed access to the electoral material distribution centers, Polling Units, Polling Stations and Collation Centers:

Access to Polling
Units and
Collation Centers

- (i) voters (at Polling Units only)
- (ii) INEC officials on election duty
- (iii) Security agents
- (iv) candidates or their accredited polling agents.
- (v) accredited journalists/media
- (vi) accredited domestic and foreign observers

49. Polling agents may:

Role of Polling
Agents

- (i) observe the distribution of election materials, conduct of accreditation, voting, counting of ballots and the collation and declaration of results;
- (ii) call the attention of an election official to any irregularities, but not interfere;
- (iii) counter sign the appropriate result forms at Polling Units and the appropriate results collation forms at Collation Centers.
- (iv) comply with lawful directives issued by or under the authority of INEC, and generally conduct themselves in an orderly manner.

50. Duly accredited election observers who are wearing the observer badges issued by the Commission for the election are entitled to:

Role of Election
Observers

- (i) observe the process including the distribution of election materials, conduct of the voting, sorting and counting of ballots, collation of results and announcement and

declaration of results;

- (ii) call the attention of an election official to any irregularities, but shall not interfere; and
- (iii) ask questions for clarification where necessary.

51. Security agents on election duty shall:

Role of Security Agents.

- (i) provide security at the Polling Units'/polling stations and collation centers to ensure that the Polling Units, counting of ballots, collation and declaration of results are conducted without any disturbance;
- (ii) take necessary measures to prevent violence or any activity that can threaten to disrupt the elections;
- (iii) comply with any lawful directive(s) issued by or under the authority of INEC;
- (iv) ensure the safety and security of all election personnel and materials by escorting and guarding the materials at all levels as appropriate;
- (v) arrest on the instruction of the Presiding Officer or other INEC officials, any person(s) causing any disturbance or preventing the smooth conduct of proceedings at Polling Units/Stations and Collation Centers;
- (vi) on the instruction of the Presiding Officer, stand at the end of the queue of voters at the Polling Unit at the official close of poll to prevent any person joining in;
- (vii) escort the Presiding Officer and other election officials to deliver the election results, ballot boxes and other election materials safely to the RA/Ward Collation Centre; and
- (viii) escort Collation Officers to deliver election results to the Returning Officer and subsequently to the Resident Electoral Commissioner or Electoral Officer, as the case may be, for the submission of election materials and results.

52. It shall be the responsibility of election officials at all levels to ensure the safe return of all election materials placed in their custody to designated locations after every election. Reverse logistics should be carefully monitored, and materials returned should be audited by the relevant units of the Commission.

These Regulations and Guidelines complement the provisions of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) and the Electoral Act, 2010 (as amended).

DATED at Abuja this *12th* day of *January*2019

MANAGEMENT OF THE MARGIN OF LEAD PRINCIPLE

(Response Scenarios)

In managing the Margin of Lead principle, a number of practical and effective field responses and result management techniques have been found effective in minimizing the impact of the adverse implication of “number of registered voter outstanding”.

Adverse Factor	Required Response	Expected Outcome
1. Non-deployment at PU by the Commission due to logistics challenges	Announce a fresh date for the affected PU if necessary.	Supplementary election is indicated
2. Obstruction and Resistance to deployment/distribution	Enter zero votes and proceed.	Conclusion of the process
3. Voter Resistance to use of IVAS (SCR)	Enter zero votes and proceed.	Conclusion of the process
4. Mid-way discontinuation of the use of the SCR due to sustained malfunction	Request for replacement before 2pm. If no replacement arrives, a new date to continue the election is announced.	Supplementary election is indicated
5. Violent disruption at substantial number of PUs before announcement of result.	Commission shall announce a fresh date for the affected PU if necessary.	Supplementary election is indicated
6. Violent disruption after announcement of result including destruction of ballot papers and result forms.	Regenerate the affected results from duplicate copies, fill new replacement result sheets with the approval of the Resident Electoral Commissioner and proceed with collation of result.	Conclusion of the process
7. Snatching/Destruction of result forms en-route or at collation centres.	Regenerate the affected results from duplicate copies, fill new replacement result sheets with the approval of the Resident Electoral Commissioner and proceed with collation of result.	Conclusion of the process
8. Where ballot materials are still available or remaining after disruption.	Proceed with available materials and conclude.	Conclusion of the process
9. Where ballot materials are not available or remaining after disruption.	Commission shall announce a fresh date to conclude.	Supplementary election is indicated
10. Where there is a disruption at the Voting Point.	Treat as rejected votes and proceed with the valid balance from other VPs of the PU.	Conclusion of the process
